

Sullivan County Stowell Forest Tour

Saturday, April 27, 2024 10:00 - Noon
Stowell Forest — Unity, NH

We will meet on site. Parking is available on Britton Road east of Fischer Road. GPS: 43.2992, -72.3295.

This event is free and open to the public. Registration is not required. For more information please contact Lionel Chute at Lchute@sullivancountynh.gov or 603-542-4891.

Join us for a guided walk where we will discuss a carefully designed harvest of red pine that successfully released existing white pine and other saplings, as well as other management goals. We will also discuss the potential for repurposing the skid trails for recreation, and (time permitting) visit the 26-acre Mature Pine Natural Area.

Tour leaders will include Lionel Chute, Director of Natural Resources, Jeremy Turner, Managing Forester at Meadowsend Timberlands Limited, and Dode Gladders, UNH Extension Forester in Sullivan County.

Be prepared for a moderate hike and remember to dress appropriately for late April weather conditions.
